PETROLEUM REVIEW

Editor

CAROL READER

VOLUME FORTY-SIX

1992

THE INSTITUTE OF PETROLEUM

61 NEW CAVENDISH STREET
LONDON W1M 8AR

INDEX 1992

Authors

Abi–Aad N
– Refinery expansion in Bahrain...Apr 167
Appleford D
– Purpose built seabed processing systems ...Oct 500

Baldwin J
– Hidden assets behind SCADA...Sep 447
Bartlett C
– The development of flammable atmospheres in lab storage...Feb 90
Bedrikovetsky Prof P
– Enhanced condensate recovery technologies ...Mar 137
Brittain J
– Managing fire–fighting foams in the environment ...May 224
Brittaine J
– Nest eggs out of Shell...Nov 516
Brooke G
– A tanker master's dream...Apr 177
Buckman D
– Malaysian industry enters gas era...Dec 576
– Finds rekindle Philippines search hopes ...Aug 367
Byrne I
– Measuring household energy efficiency with the NHER scheme...Sep 425

Campbell–Harris J
– Profitability of car washing...Jun 266
Collomosse P
– Planning on change...Feb 78
Cranfield J
– Privitisation opens up huge areas of Argentina...Aug 400
– Trinidad pins energy hopes on gas...Sep 427
– Iran lays foundation for secure future...Mar 130
– Multi–pronged approach to Argentina's privatisation...Nov 541
– Italian exploration in high gear...Apr 174
– Italian marketing set for upheaval...Jun 273

Deans C
– The Canadian offshore...at last!...Jan 41

Farmer Dr T
– Occupational exposure limits for hydrocarbon solvents...Jan 38
Fitzgerald H
– An assessment of laboratory density meters ...Nov 544
Foster J
– Use of foam on large-scale lead-free petrol fires...Nov 538
Fraser
– What is artificial intelligence?...Feb 66

Gurney J
– US states opt for stringent auto emissions standards...Jan 44
– The Clinton Administration: Friend or Foe ...Dec 568
– Abandonment of offshore rigs: Gulf of Mexico experience...May 237
– Tax subsidy encourages US coalbed methane ...Jul 328
– Moves on Tengiz development...Aug 375

Horton R
– Petroleum and politics during the 1990s ...May 220

Ingram Dr A
– Does viscosity affect oil's cancer producing potential? ...Oct 476

Kielmas M
– Colombian power crisis gives boost to oil and gas...Sep 418

Knott T
– Oil from the land–locked steppes...Feb 57
Knudson A
– Concrete structures for marginal field development...May 216

Lapp K
– Development of standards for detonation flame arrestors...Apr 172
Latta T
– Russian domestic crude prices doubled...Nov 537
Lawrence T
– Virtual reality...Feb 86
Le Floch–Prigent
– Gas strategies in Europe...Dec 589
Le Cornu L
– Oil rich Azerbaijan opens up...Feb 64
– Oil discovery brings Uzbekistan independence closer...Jul 344
– Open minded Kazakhs capture Western oil investment...Aug 378
Licence G
– Decontamination by vacuum extraction ...May 234
Lindsay R
– Automotive diesel fuel cost/environment balance...Jul 320
Lund S
– Offshore pipeline technology — status and requirements...Nov 530

Makin J
– Parallel processing technology and geophysical exploration...Sep 445
Mayhew G
– Denmark's achievement of energy security...Dec 600
– Shake–out continues in retailing sector...RMS 24
– Statoil's strategic plan includes UK downstream...RMS 28
– More ships for LNG...Apr 181
– Trials with'green' paint...Aug 371
McLeod R
– Place for gas in UK energy policy...Dec 582
– Reaching Germany's burgeoning gas market ...Dec 580
– Tough controls on oily water...Oct 492
– Full automation on new generation drilling rigs...Oct 490
– Scottish independence: lochs, stocks and barrels of oil..Apr 160
– Companies must build for future...RMS 21
– New directions for offshore safety...May 210
– A taxing problem...Aug 370
– Contaminated gas oil disrupts the market ...Nov 522
– Zero emission vehicles at test stage...Jul 340
– Oil curtain lifts on South Africa...Jun 259
– BP abandons artificial island scheme...Feb 88
– Europe looks east...Feb 62
– Workforce shrinks as technology takes over ...May 233
– A long haul for safety cases...Apr 168
– Fuel cells get policy boost...Jul 339
– Onshore's precarious future...Sep 421
– Building safety on a rock of confidence...May 214
– Contractors set for facilities upgrade...Jul 326
Millington K
– Advice regarding radio telephones in cabs ...Jul 342
Moynihan, MP C
– Future for independents in North Sea...Jan 6
Mulder H
– Industry uncertainties and challenges — banker's view...Jul 348
Murphy K
– A platform for change...May 226

Newman P
– The'Umbrella' SORP...Apr 165
Noble P
– Oil companies face hypermarket challenge ...RMS 26

Pohl H–G
– Germany: reunification and new business opportunities...Mar 124

Rahtz J
– Subsea developments the way to the future...Oct 496
Reader C
– Venezuelan fuel advances across the world ...Jan 30
– Fresh welcome to Canada for foreign companies...Jul 346
– A better way — petroleum distribution...Jun 286
Readman J
– Contamination of Gulf marine environment following war...Dec 572
Reeves T
– Gas link Ireland–Scotland...Dec 593
Rijhwani G
– Piper Bravo: safer by design...Oct 481
Roberts J
– Iraq: devestation and recovery...May 230
– Saudi ambitions...Jul 314
– Effect of Algerian political crisis...Aug 398
– Emphasis on Omani gas resources...Dec 598
Robinson Dr E
– Quantification of refinery losses...Jan 14
Rose I
– Petroleum retailing and hypermarkets...Jun 269
Rossant J
– Turkey's strategic position affects future ...Mar 128
– Progress on CIS pipeline...Aug 380
– Oil-gas outlook in Turkmenistan...Jul 345
Rost, MP P
– Energy efficiency and emissions reduction ...Jan 28

Scholes W
– Woodside long–reach gas well breaks record ...Oct 494
– New emphasis on Bass Strait exploration ...May 240
Schuessler R
– Stamping out oil, philately...Dec 566
Shaw G
– Standardisation is not the magical solution ...Oct 472
Smith N
– Future of offshore pipeline industry...Nov 527
Smithers B
– IP vapour recovery guide...Jun 289
Stief–Tauch P
– European policy on environmental protection...Jan 20
Stokes R
– Can information technology automate refinery scheduling...Feb 83
Swift–Hook Prof D
– Prospects for renewable sources of energy ...Jul 335

Todd S
– Legislative changes for French crude imports ...Nov 535
– Distribution trends in France...Jun 276
– French retail outlet trends...Dec 571
Tolner B
– Eastern German crude and oil product supply ...Jun 262

INDEX 1992

van Wachem L
– Challenges and opportunities for the petroleum industry.Jan 11
Vasey Dr G
– Production reporting systems: why proliferate...Apr 184
Visbal J
– The last word — voice messaging...Apr 188
White J
– Optimised gasoline blending at the Lindsey oil refinery...Jul 317
Wiley Rev A
– The soft side...Jan 36
Williamson E
– Lubricants business in the 1990s...Mar 135

Subjects

Advertising
– Shell auctions archive posters...Oct 516
Algeria
– Effect of political crises...Aug 398
Alternative fuels
– Ethanol research...Jul 352
– Fuel cells get policy boost...Jul 339
– BG plans CNG vehicle network...Nov 518
– Prospects for renewables...Jul 335
Amerada Hess
– In assets swap...Sep 417
Amoco
– Romanian exploration agreement...Sep 417
– Signs Maltese production sharing contract ...Apr 156
– Projects generating cash flow soon ...May 207
– Central North Sea discovery...Dec 564
Argentina
– Multi-pronged approach to downstream privatisation...Nov 541
– Privatisation opens up huge areas...Aug 400
Australia
– Premier seeks second LNG project ...Jul 350
– Expansion for North-west Shelf ...Sep 417
– Long reach well breaks record...Oct 494
– New emphasis on Bass Strait exploration ...May 240
Azerbaijan
– Oil-rich country opens up...Feb 64
– BP-Statoil alliance...Oct 469
– Ramco/Pennzoil partnership to develop fields ...Nov 518
Bahrain
– Refinery expansion underway...Apr 167
BP
– Profit dip brings dividend cut...Sep 416
– Sells West African and Tunisian assets to Elf ...Apr 156
– Horton: Petroleum and politics in the 1990s...May 220
– Yearly statistics produced...Aug 364
– Abandons artificial island scheme for Wytch Farm ...Feb 88
– American downstream assets offer...Jul 309
– Colombian reserves appraisal...Dec 564
– Meets environmentalists...Mar 122
– Horton resigns as chairman/chief executive ...Aug 364
– Engineering award...Dec 565
– Search for better retailing...Jun 286
– Alliance with Statoil in Azerbaijan...Oct 469
British Gas
– Broad agreement on competition proposals ...Feb 60
– Signs Vietnamese exploration agreement ...Aug 364
– To inspect Thai pipeline...Feb 61
– Not refered to MMC...Apr 158
– Plans CNG vehicle network...Nov 518
– Topsides contract for North Morecambe... May 207
Burmah Petroleum
– Charity link in retail promotion ...Jun 256
Cambodia
– Consortium to explore offshore...Feb 60
– Concession for Premier...Jan 5
Canada
– Offshore industry development ...Jan 41
– Fresh welcome for foreign companies ...Jul 346
– First offshore oil production...Jul 308
Central Asia
– Progress on pipelines...Aug 380
Chevron
– Breakthrough in Kazakh oil deal ...Jun 258
– Calls for tax regime changes...Aug 370
– Moves on Kazakh development...Aug 375
– Wins safety award...Apr 157
– Building safety on a rock of confidence ...May 214
– Sells assets to Repsol...May 208
Colombia
– Power crisis boost to oil and gas...Sep 418
– Cusiana reserves appraisal...Dec 564
Communication
– Voice messaging...Apr 188
Computers
– Can information technology automate refinery scheduling...Feb 83
– Geophysical supercomputers...Sep 415
– What is artificial intelligence?...Feb 66
– Doing business without paper...Apr 190
– Downstream information technology survey ...Feb 71
– Supervisory control and data acquisition ...Sep 447
– Upstream information technology survey ...Sep 433
– Production reporting systems...Apr 184
– Parallel processors and geophysical surveys ...Sep 445
– Virtual reality...Feb 86
Conference report
– Australian Petroleum Exploration Association ...Jul 350
– Doing business without paper...Apr 190
– Health and safety offshore...May 213
– Oil price information...Apr 192
Conoco
– V-P predicts continued retailing shakeout...RMS 24
– Lyell production manifold installed ...Jul 309
Cuba
– Announces licensing round...Aug 365

Denmark
– Achieves energy security...Dec 600
Department of Energy
– Abolished...May 209
Diesel
– Additives market...Dec 564
– Smuggling blockade...Sep 416

Ecuador
– Intends to leave OPEC...Oct 470
Education and training
– Undergraduates recognise safety standards ...Mar 143
– Framework for the 1990s...Mar 142
– Ordinary and National Diplomas ...Mar 143
– Industry needs to be heard...Jun 294
– National vocational qualifications ...Sep 452
– Student prizes...Sep 453
– Engineering occupations...Sep 453
– Petroleum employers' skills council ...Jun 295
Efficiency
– Measuring energy efficiency...Sep 424
Eggar
– Mr Tim Eggar is appointed energy minister ...May 209
Egypt
– Consortium to explore offshore...Mar 108
Elf
– In assets swap...Sep 417
– Awards forecourt contract...Aug 364
– Chief's gas warning...Oct 468
– Outlines gas strategies in Europe...Dec 589
Elf Enterprise
– Company at chrysalis stage...Jan 34
Engineering
– AMEC group restructuring...Jun 258
– Contractors set for facilities upgrade...Jul 326
Enterprise
– Turnover down on lower oil price...Oct 470
– Romanian exploration agreement...Sep 417
Environment
– BP meets environmentalists...Mar 122
– Measuring energy efficiency...Sep 424
– Decontamination by vacuum extraction ...May 234
– Lead and sulphur survey...May 232
– Trials with'green' paint...Aug 372
– Risk assessment...May 226
– Tough controls on oily water...Oct 492
– Three cornered challenge by Lo van Wachem...Oct 483
– US adopts stringent auto emission standards ...Jan 44
– European policy on environmental protection ...Jan 20
– Hurricane damage widespread...Oct 468
– Low tech pipeline leak detection...Sep 416
– Managing fire-fighting foams...May 224
– Saudi minister rejects tax moves...Jul 308
– Motorist oil losses report...Dec 565
– Prospects for renewable energy ...Jul 335
– Contamination in the Gulf following war ...Dec 572
– Zero emission vehicles at test stage...Jul 340
– Energy efficiency and emissions reduction ...Jan 28
– Diesel fuel cost effectiveness...Jul 320
Estonia
– Bulk storage terminal development...Aug 365
Ethanol
– Alternative fuel research...Jul 352
Europe
– Energy Charter has Russian focus...Feb 62
– Gas strategies...Dec 589
– Policy on environmental protection...Jan 20
– THERMIE 1993 project call...Oct 469
– Carbon tax plans announced...Jun 257
Exxon
– Reward for oil chiefs return...Jun 258
– Death confirmed of kidnap victim...Aug 365
Fiscal
– The umbrella SORP...Apr 164
– Chevron calls for tax changes...Aug 370
– IP president raises taxation issue...Jul 310
– US tax subsidy encourages coal-bed methane ...Jul 328
– Oil price information...Apr 192
– Uncertainties facing industry; banker's view ...Jul 348

France
– Legislative changes for crude imports...Nov 535
– Supermarkets lose court battle...Dec 565
– Distribution trends...Jun 276
– Retail outlet trends...Dec 571
Fuels
– New MTBE plant for Neste Oil...Nov 518
– Additives market...Dec 564

INDEX 1992

- Health aspects of benzene and petrol...Sep 430
- Contaminated gas oil enters market...Nov 522

Geophysical surveys
- Role of supercomputers...Sep 415
- Parallel processing technology...Sep 445

Germany
- Reunification and new business opportunities ...Mar 124
- Utility companies sign gas agreements...May 209
- Conversion to natural gas...Dec 580
- Crude and oil product supply...Jun 262

Gulf of Mexico
- Hurricane damage widespread...Oct 468

Health
- Aspects of benzene and petrol...Sep 430
- Viscosity and oil's cancer producing potential ...Oct 476
- Biofilms in metalworking fluids...Nov 534
- Occupational exposure limits for hydrocarbon solvents...Jan 38
- The perils of labelling...Mar 144

Independents
- Government's view of future role...Jan 7

Indonesia
- Exploration upturn...Feb 60
- Production sharing contract...Mar 108

Institute of Petroleum
- Benevolent Fund...Dec 608
- Chevron chief speaks at lunch...Mar 118
- Looks to the future...Oct 480
- Charles Smith appointed president-elect ...Feb 70
- Malcolm Rifkind QC MP speaks at dinner ...Mar 110
- Cadman Medal for Lo van Wachem...Oct 483
- New committees. Upstream and downstream...Feb 97
- Council symposium...May 243
- Annual General Meeting...Jul 310
- Church kneeler for Cathedral...Dec 610
- Safety awareness for top executives...Jul 360
- President's address...Jul 310
- Netherlands branch proposed...Apr 201

International
- Falklands survey licences...Jan 5
- Arafura Sea sedimentary basin...Jan 5

IP branches
- Netherlands branch proposed...Apr 201
- UKOOA updates Shetland Branch...Jan 50
- Midlands branch...Sep 451
- Irish branch news...May 250

Iran
- Lays foundation for a secure future...Mar 130

Iraq
- Pipeline may open soon...Jul 309
- Devastation and recovery...May 230

Ireland
- Gas link to Scotland...Dec 593

Italy
- Marketing looks set for upheaval...Jun 273
- Exploration moves into high gear...Apr 174

Kazakhstan
- Captures western oil investment...Aug 378
- Breakthrough in oil deal...Jun 258
- Moves on Tengiz development...Aug 375

Kuwait
- Contamination of marine environment following war...Dec 572

Labelling
- Proliferation of warning symbols...Mar 144

Laboratories
- Flammable atmospheres above residual fuel storage...Feb 90
- Assessment of density meters ...Nov 544
- Membrane types and fuel filterability...Nov 526

LASMO
- First gas from Markham...Dec 564
- Confirms upstream role, Ultramar assets sale...Feb 61
- Markham topsides installed..Oct 469
- Appraisal success...Oct 468
- Seeks asset disposal...Apr 156

Lubricants
- Texaco to shut plant...Jun 257
- War on wear to save '£1.5 billion p.a.'...Apr 156
- Business in the 1990s...Mar 134
- Century Oils restructuring complete...Apr 158

Malaysia
- Industry enters the gas era...Dec 576

Malta
- Production sharing contract with Amoco signed...Apr 156

Measurement
- Marine loss statistics update...Apr 182

Methane
- Poland announces coal-bed tender...Aug 365
- US tax subsidy encourages coal-bed methane ...Jul 328

Mexico
- Power project go-ahead...Jul 309

Mobil
- Sells Norwegian marketing assets...May 208
- Annex B for Excalibur...Oct 468

Mongolia
- Oil from the land-locked steppes...Feb 57

Morecambe Bay
- Prospects improve...Sep 417

Motoring
- Vehicle numbers drop...RMS 20
- British Gas plans CNG vehicle network ...Nov 518
- Oil losses report...Dec 565
- Ford introduces fast warm-up catalyst system ...Jan 46
- US adopts stringent auto emission standards ...Jan 44

Myanmar
- Premier announces production sharing deal ...Nov 518

Namibia
- Three Norwegians get exploration licences ...May 208

Natural gas
- Second sale of Brae gas agreed...Oct 470
- First UK gas for export...Jul 308
- German utility companies sign agreements ...May 209
- Markham topsides installed..Oct 469
- BG plans CNG vehicle network...Nov 518
- Long reach well breaks record...Oct 494
- Independent gas contract...Mar 109
- Competition in the gas market...Feb 60
- Minister sanctions import deal...Mar 109
- More ships due to increased demand...Apr 181
- Omani emphasis on resources...Dec 598
- Elf chief outlines strategies in Europe...Dec 589
- Shell undertakes Omani study...Apr 156
- Malaysian industry enters gas era...Dec 576
- Conversion for eastern Germany...Dec 580
- Long term Nigerian contract signed...Jun 256
- Elf Chief's gas warning...Oct 468
- Place in UK energy policy...Dec 582
- Scotland-Ireland pipeline link...Dec 593
- First exports from Markham...Dec 564
- New joint venture...Jul 309
- Australian premier seeks second LNG project ...Jul 350
- Role in Danish energy security...Dec 600
- Commercial generation begins at Killingholme ...Nov 518
- New fields to be developed...Jun 256
- OFT not refering British Gas to MMC...Apr 158
- US prices recover...Nov 520

Nigeria
- Long term gas contract signed...Jun 256

North Sea
- Markham topsides installed...Oct 469
- Oil discovery beneath Maureen field...Jan 5
- Exploration success for LASMO...Oct 468
- British Borneo buys assets...Jan 4
- Second sale of Brae gas agreed...Oct 470
- Mobil gets Annex B for Excalibur...Oct 468
- Workforce shrinks as technology takes over ...May 233
- Orion appraisal...May 209
- Floating production for Gryphon...Nov 520
- Conoco announce exploration success...Jan 5
- OMV/Clyde joint venture...Nov 520
- Lyell production manifold installed...Jul 309
- Piper B world record lift...Feb 60
- Britannia agreement reached...Mar 109
- New gas fields to be developed...Jun 256
- Texaco awards Strathspey contracts...Jun 256
- Production ceases from two fields...Dec 565
- First gas exports from Markham...Dec 564
- Amoco oil and gas discovery...Dec 564
- Donan field producing...Jun 258
- Troll project given go-ahead...Jul 309
- Texaco announce test results on Galley prospect...Jan 4
- BP given go-ahead for Donan field...Jan 5
- Nelson contracts placed...Apr 157
- Conoco install first free-fall lifeboats...Jan 5
- New offshore round announced...Apr 158

Norway
- Hints at licensing flexibility...Oct 468
- Troll project given go-ahead...Jul 309

Obituaries
- M J W Lofting...Feb 94
- J Lowein...Dec 608
- S Holding...Dec 562
- S Reso...Aug 365
- W J Browne...Feb 94
- P H Frankel..Nov 521
- R Garrad...Jun 296
- M Esdale...Mar 144
- F Wilson...Mar 144
- J Hyde...Jun 296

Offshore
- Canada's first production...Jul 308
- Morecambe Bay prospects...Sep 417
- Concrete structures for marginal field development...May 217
- Abandonment of rigs in the Gulf of Mexico ...May 237
- Future of the pipeline industry...Nov 528

Oman
- Emphasis on gas resources...Dec 598
- Shell undertakes feasibility study...Apr 156

Onshore
- BP abandons Wytch Farm artificial island scheme...Feb 88
- Hamble terminal passes $1 billion mark...Oct 469
- Pentex start-up for East Glentworth oil field-...Nov 520
- Precarious future...Sep 420
- Landward licensing round...Jul 309

OPEC
- Dr Subroto criticises carbon tax...May 209
- Ecuador intends to leave...Oct 470
- Flexible approach to attract technology...Oct 469
- Meeting fails to stabilise prices...Mar 109

Outsourcing
- Planning on change...Feb 78

Papua New Guinea
- Excellent flow from second oilfield...Jun 256

Parliament
- Bid to retain select committee...Aug 364

INDEX 1992

Philately
- World oil stamps...Dec 566

Philippines
- Finds rekindle search hopes...Aug 366

Pipelines
- Offshore technology-status and requirements ...Nov 530
- Future of the offshore industry...Nov 527
- Airport pipeline for Birmingham...Feb 60
- New pipeline for gas projects...Jun 256
- Progress on CIS pipelines...Aug 380
- Scotland-Ireland gas link...Dec 593
- Iraqi pipeline may open soon...Jul 309
- CATS, a new era...Apr 170
- Low tech leak detection...Sep 416

Platforms
- Concrete structures for marginal field development...May 217
- Abandonment in Gulf of Mexico...May 237

Poland
- Announces coal-bed methane tender...Aug 365

Power generation
- A place for gas in energy policy...Dec 582

Publications
- Well control for high pressure offshore wells ...Oct 504

Recovery
- Enhanced condensate recovery technologies ...Mar 137

Refining
- Major expansion in Bahrain...Apr 167
- Quantification of UK refinery losses...Jan 14
- Contaminated gas oil enters market...Nov 522
- Production reporting systems...Apr 184
- Can information technology automate scheduling...Feb 83
- Diesel fuel environmental cost effectiveness ...Jul 320
- European upgrade levels...Dec 564
- Optimised gasoline blending...Jul 317
- Contractors set for facilities upgrade...Jul 326

Retailing
- Average retail prices...RMS 14
- Vapour recovery fitting on site...RMS 14
- Motor spirit and DERV deliveries...RMS 15
- Mobil sells Norwegian assets...May 208
- Company outlets...RMS 2
- Outlets retailing DERV...RMS 10
- Company market share...RMS 12
- New owners for Bio Petroleum...Jun 257
- Statoil's plan includes UK downstream...RMS 28
- Brand managers' comments...RMS 30
- Oil companies face up to hypermarket challenge...RMS 26
- Conoco V-P predicts continued shake-out ...RMS 24
- Hypermarket and supermarket retailers ...RMS 18
- Companies must build for future...RMS 21
- Total retail sites and average throughput 1981-1991...RMS 18
- MacDonald's in motorway restaurant deal ...Nov 518
- Dover Docks site revamp...Oct 469
- Profitibility in car washing...Jun 266
- Forecourt association launched...Jul 308
- Opportunities search...Oct 468
- BG plans CNG vehicle network...Nov 518
- BP to sell US assets...Jul 309
- Joint development of Spanish marketing network ...Apr 157
- Supermarkets lose court battle...Dec 565
- Italian market set for upheaval...Jun 273
- BP search for a better way...Jun 286
- Elf awards forecourt re-signing contract ...Aug 364
- Distribution trends in France...Jun 276
- Hypermarkets...Jun 269
- French retail outlet trends...Dec 571
- Conoco leases Czech stations...Mar 109
- Charity link in retail promotion...Jun 256
- Forecourt show preview...Jun 277

Rockwater
- Predicts subsea engineering slump...Apr 156

Romania
- Exploration agreements signed...Sep 417

Royal Dutch/Shell
- President outlines challenges...Jan 10
- Undertakes Omani feasibility study...Apr 156

Russia
- City firm advises on law...Jun 258
- Domestic crude prices doubled...Nov 536
- Minister outlines privatisation development ...Mar 108

Safety
- Investigators examine helicopter wreckage ...Apr 158
- New direction for offshore safety, Allan Sefton...May 210
- Developing a safety culture...May 213
- Piper Bravo: safer by design...Oct 481
- Awareness for top executives...Jul 360
- Retail companies must build for future... RMS 21
- Long haul for safety cases...Apr 168
- Revised reporting requirements...May 209
- New guidance on permits-to-work...Feb 61
- Use of foam on large lead-free petrol fires ...Nov 538
- Chevron safety profile...May 214
- Record fine for drilling company...Jun 257

Saudi Arabia
- Expansion programme...Jul 314
- Saudi-Yemeni dispute...Jul 315

Scotland
- Independence would not affect oil...Apr 160
- Gas link to Ireland...Dec 593

Shipping
- Marine loss statistics update...Apr 182
- Ageing tankers facing neglect...Oct 470
- European E3 tanker project...Oct 470
- *A Love of Ships* book review...Apr 187
- Integrated bridge systems...Apr 177
- More ships for LNG...Apr 181

South Africa
- Oil curtain lifted...Jun 259

Spain
- Joint development of retail marketing network ...Apr 157

Standards
- New well control Code of Practice...Oct 504
- Methods 1992 published...Apr 196
- Methods of Test involving Gas Chromatography ...Oct 504
- Certified calibrant for IP 336...Jan 49
- Determination of MTBE...Oct 504
- IP vapour recovery guide...Jun 289
- Detonation flame arresters recent research ...Apr 172
- Delegate's review of ASTM D.02 meetings ...Apr 196
- Work of Petroleum Products and Lubricants Committee...Oct 504
- Future of IP 345...Jan 49
- Radio telephones in cabs...Jul 342
- Public comment on IP 40/BS 2000...Jan 49

Statoil
- Strategic plan includes UK downstream... RMS 28

Storage
- Annual survey of independent storage...Aug 381
- Baltic terminal development...Aug 365
- Trials with 'green' paint...Aug 372
- Contaminated gas oil enters market...Nov 522
- Expansion of terminals...Sep 416

Subsea
- Purpose-built processing systems Oct 500
- Diverless TLP installation...Jul 308
- The way to the future...Oct 496
- Lyell production manifold installed...Jul 309
